Fax (716) 938-2760

November 8, 2017

To The Honorable Members of the
Cattaraugus County Legislature

Welcome to the release of the 2018 Tentative Budget for Cattaraugus County.

This Budget is the seventh budget developed under the NYS Tax Cap Legislation. I am exceedingly pleased to announce to you that this Tentative Budget is ***compliant with the New York State Tax Cap Legislation***.

In 2018, like last year, this Tentative Budget increases levy amounts within the allowable tax cap limit amount, while simultaneously reducing the average full value tax rate for taxpayers in Cattaraugus County by a full <\$.20.

This Tentative Budget addresses many items. The ability to do this has been achieved in large part by strong support of your Department Heads and their staffs, who in a concerted effort, basically kept their levy impacts flat between 2017 and 2018. Many departments delivered levy impacts below the 2017 levels. This should not be minimized, it is a monumental and concerted effort to contain and limit growth without sacrificing quality of care. I, as the Budget Officer, am exceedingly appreciative of this monumental effort. Literally, without the efforts of these dedicated individuals, this budget would look much different than what I am presenting to you today. Again, "Thank you", all of you!

This Tentative Budget is subject to modification by you, the governing body of Cattaraugus County.

The 2018 Tentative Budget document is a large, complex, detailed, and interrelated document. This budget addresses \$230,208,871 in proposed appropriations for 2018.

The budget review process has been an inclusive process with active dialogue between departments and my office. The departments understood the parameters set for this budget, and we in turn listened and attempted to address their concerns. We met personally with the vast majority of the departments and their staff. This process yielded the Tentative Budget you have before you today. This has been my process.

Your process, I urge you to critically ask your questions both of the Department Heads and myself. In

the end you need to feel comfortable with a document that will be your budget for 2018. The goal is to have *you* reach a level of comfort with this budget, so that you are able to ultimately vote for a passage of a budget.

It always amazes me, but every budget is different and presents different challenges and opportunities. The 2018 Budget is no exception to this statement. Internally, there was much discussion about these items. This year the driving factors include three revenue and six appropriation items.

This year our challenges and opportunities included the following:

Revenue:

- the NYS Property Tax Cap legislation and the restraints this places upon the level of taxes able to be raised under the tax cap calculation;
- Sales tax and how this will be reflected in the 2018 budget;
- To address the loss of <\$1,273,902 in Tax Immune Proceeds tied to the ongoing dispute between the State of New York and our neighbors the Seneca Nation of Indians.

Appropriations:

- Collective bargaining: the contracts for all 7 bargaining units lapse or will have lapsed as of January 1, 2018;
- Stability of the Self-Insured Health Insurance Program;
- The need to replace large amounts of equipment and vehicles in the County;
- To address an anticipated 2018 Intergovernmental Transfer payment to the two nursing homes;
- To continue to foster economic development, not only through infrastructure improvements, but, also through local support, lowered taxes and continued support of community colleges;
- Beginning to address a new State mandate called Raise the Age.

Of the constant specter of unfunded mandates, 2018 includes the beginning to accommodate the new Raise the Age Legislation recently passed by the NYS Legislature.

Let me briefly discuss the bulleted items individually.

REVENUES

NYS PROPERTY TAX CAP

The NYS Property Tax Cap started with the adopted County Budget for calendar year 2012. Since then, we have continually adopted a budget that was under the property tax cap level. The trend continues in the 2018 Tentative Budget. With that said, each year of delivering a budget under the tax cap becomes increasingly harder.

While a discussion that the tax cap has its sound bites, there are really three factors that largely constitute the main elements of the tax cap calculation. The three elements are: the Consumer Price Index (CPI), the tax based growth factor (which measures growth in full value of properties in the County) and the projected growth of the NYS Retirement System. Combined altogether, these three

elements form the skeleton structure for the calculation of the tax cap level in a given year. In 2018, all three of the factors contributed to an increase in the tax cap level.

The CPI level is 1.84%. While this is certainly well above the .68% that was included in the 2017 budget, it is still well below the publicized 2% level promoted by the State.

The 2018 Tax Base Growth Factor is 1.91. This is one of the highest rates we have experienced since the inception of this calculation in 2012. This measures growth in the tax base in the County and reflects large utility transfer projects coming on line in the Towns of Hinsdale and Humphrey. While the \$70 million impact of these projects were addressed in 2017, the Tax Base Growth factor impacts 2018. In addition, the taxable value of properties in the County in 2018 appreciated by an additional \$11.5 million. Combined, these factors yield one of the highest growth factors in the State in 2018. By comparison to 2017, the tax base growth factor was at an all-time low of .16.

Finally, there is the growth in the NYS Retirement System. If growth in the State system is over 2%, counties are able to increase taxes by the percentage amount over 2%. The Retirement System is expected to experience growth under 2% in 2018. Effectively, we will be paying higher retirement costs, but the increase will not allow for an increase in the tax cap.

With an allowable levy of \$1,551,757, this budget increases the levy by \$722,613, or 1.32% over the 2017 levy.

LOCAL SALES TAX

In 2017, we experienced three quarters of higher than anticipated sales tax proceeds. In 2018, projections for sales increased by \$275,000 in the General Fund to \$15,431,000. The 1% Sales Tax in the County Road Fund increased \$171,000 to \$9,733,000. The total increase in these projections for 2018 is \$446,000.

LOSS OF CASINO BASED TAX IMMUNE PROCEEDS

In 2017, Cattaraugus County budgeted \$1,273,902 for Casino proceeds (Tax Immune Proceeds). Given the current, ongoing dispute between the State and the Seneca Nation of Indians, this dollar amount will not be realized in 2017. For 2018, there is no revenue budgeted for this line item.

EXPENDITURES

COLLECTIVE BARGAINING

In 2018, all seven of the collective bargaining agreements in place will or have already lapsed. Late in 2017, negotiations began with all the major units. At the time this budget was prepared, there was no concrete estimate as to the financial impact of negotiations. Accommodations have been made in this budget to address some level of financial impact as a result of the collective bargaining outcome.

RE-ESTABLISHING STABILITY TO THE SELF-INSURED HEALTH INSURANCE PROGRAM

Over the last two years, the County has experienced tumultuous changes associated with changing a third part vendor and the associated run-out claims, bringing in a new third party vendor, changing and

welcoming a new third party administrator. This resulted in significant swings in appropriations during this period. It is believed that the 2018 budget for the Self-Insured Health Insurance Program is more stable than we have experienced in past years.

THE NEED TO REPLACE LARGE NUMBERS OF EQUIPMENT AND VEHICLES USED BY THE COUNTY

The equipment that is largely used by the Cattaraugus County Department of Public Works is on its last legs. This budget anticipates the replacement of 26 different pieces of Public Works equipment, ranging in price from \$14,000 to \$215,000 per unit, for a total appropriation of \$2,126,500. This expenditure allows for the replacement of existing equipment.

Additionally, we have recurring issues associated with vehicle replacement in the County. To address this issue, the 2018 Tentative Budget anticipates that the County will enter into a contract with Enterprise Fleet Services for the lease of 31 new vehicles that will be used to replace high mileage vehicles in the Departments of Public Works, Health and Aging and the Sheriff's Office. These vehicles include: one-ton pickups, ¾ ton pickups, SUVs, police interceptors and passenger vans. In most cases, the term of the lease will be five years, except for police interceptors, which will be replaced after 30 months or after reaching mileage thresholds, whichever occurs first. The department request for vehicles in 2018 would have addressed 18 vehicles at a cost of \$588,520. The lease cost for 31 vehicles is \$205,820.02, in the 2018 budget.

THE NEED TO CONTINUE TO FOSTER ECONOMIC DEVELOPMENT NOT ONLY THROUGH INFRASTRUCTURE IMPROVEMENTS, BUT, ALSO THROUGH LOCAL SUPPORT AND LOWERED TAXES (ON A FULL VALUE BASIS AND CONTINUED SUPPORT OF COMMUNITY COLLEGES.

The 2018 Tentative Budget and the associated 2018 Capital Plan previously released, anticipates the continuation of an assertive investment of \$20,957,561 in roads, bridges, culverts and buildings in Cattaraugus County.

This tentative budget includes a \$150,000 provision to assist local municipalities in applying for competitive grants through New York State and other entities.

As noted previously, this budget on a Full Value basis, reflects a decrease of <\$.20 in the Full Value Tax rate.

The budget also includes continuing support for local residents to attend NYS Community Colleges. This support is budgeted at \$2,300,000, a slight decrease from 2017, but tied to enrollment trends.

INTERGOVERNMENTAL TRANSFER (IGT)

In 2018, it is anticipated that there will be one Intergovernmental Transfer (IGT) payment to our two nursing homes. This funding stream is critical to our nursing homes. This 2018 IGT will be the first IGT calculated under a Medicaid Managed Care environment and against an overall decrease in total pool dollars. Both of these factors must be weighed when making this calculation. With this said, provisions are made in the 2018 Tentative Budget for an IGT payment of \$4,865,600, of which \$2,432,800 is on the levy. This represents an increase of \$865,600 over 2017 estimates.

RAISE THE AGE

With the passage of the latest NYS Budget, a new State mandate was created, namely that of Raise the Age. According to the timelines in this legislation, the County will be impacted by expenses of this effort in the last three months of 2018. While it is expected that this effort will involve a large number of County departments, and while New York State is indicating that they will reimburse costs for this effort, the fact remains that details remain so sketchy that it is difficult to project impacts to specific departments. To acknowledge this mandate and simultaneously acknowledge the costs associated with this effort, the Tentative 2018 Budget includes a provision of \$50,000 to accommodate some costs in the last three months of 2018. It is fully expected that this impact will probably grow in subsequent years.

ELEVEN (11) NEW YORK STATE UNFUNDED MANDATES

As we have done since 2012, we continue to track a series of ten mandates and their impact on the County levy. Additionally, in 2018, we have begun to track expenses associated with another mandate, Raise the Age.

The mandates we track, are down an estimated <\$519,963 over the levels proposal in the 2017 budget. These mandates, however still represent 67.54% of the levy in 2018.

The 2018 dollar levels for these mandates in the Tentative Budget are as follows:

- Medicaid (\$18,821, 952, or 34.02% of the levy);
- Pensions/State Retirement System (\$7,401,940, or 13.38% of the levy);
- Community College Charge backs (\$2,300,000, or 4.16% of the levy).
- Public Assistance/Safety Net (\$2,170,774, or 3.92% of the levy);
- Indigent Defense (\$2,162,000, or 3.91% of the levy);
- Special Education/Pre-K (\$1,768,994, or 3.20% of the levy);
- Probation (\$1,454,284, or 2.63% of the levy);
- Child Welfare/Prevention (\$930,629, or 1.68% of the levy);
- Early Intervention/Early Care (\$270,902, or .49% of the levy)
- Youth Detention (\$30,000, or .05% of the levy); and
- Raise the age (\$50,000 or .09% of the levy)

Added together, \$ 37,361, 475 (67.54%) of our \$55,319,151 tax levy pays for these eleven mandates.

THE 2018 TENTATIVE BUDGET

With the above said, the 2018 Tentative Budget calls for a **decrease** of <\$.2033 in the Full Value Tax Rate, changing this rate from \$12.86 to \$12.65, comparing 2017 to 2018. Countywide, the Full Value assessments increased 2.95%. The taxable value Tax Rate increases (1.01 %) from \$14.85 to \$15.00. The Tax Levy increases by 1.32%; within the allowable tax cap statute.

Many factors affect assessments and tax rates, including growth in the taxable property base, appreciation of property values and the effect of changing equalization rates and property revaluation throughout the county.

REAL PROPERTY TAX
Comparative County-Wide Tax Data

	2017	2018		
	Adopted	Tentative	Change	% Change
Full Value Tax Rate	\$12.86	\$12.65	(\$0.20)	-1.58%

* Includes appropriated surplus.

** Includes appropriated reserve.

*** Removes addition to surplus

**** Real Property Tax Levy as determined per New York State's Property Tax Cap Legislation.

NATURE OF APPROPRIATIONS

Appropriations in the proposed 2018 Budget increase a grand total of \$1,423,459 (.62 %) over 2017.

NATURE OF REVENUES

Overall, total revenues in the 2018 Budget increased \$827, 584 over 2017.

Sales Tax, as noted previously, is projected to increase overall by \$446,000, given three quarters of robust positive performance experienced in 2017.

The Tentative Budget has been prepared with certain revenue assumptions regarding State and Federal funding. These assumptions are based on the best information we currently have available, but, they are projections certainly subject to change!

USE OF SURPLUS/RESERVES **To reduce real property tax levy**

	2017	2018
General Fund, Undesignated	\$2,000,000	\$2,555,809
Watershed	14,800	14,800
The Pines - Olean	485,179	(126,656)
The Pines - Machias	0	602,313
Debt Service Fund	<u>162,326</u>	<u>211,914</u>
Total Surplus/Reserves	<u>\$2,662,305</u>	<u>\$3,258,180</u>

USE OF UNDESIGNATED FUND BALANCE

The 2018 Tentative Budget proposes the use of \$3,258,180 in Fund balance. This dollar amount represents an increase of \$595,875 over 2017.

As noted in the past, use of undesignated fund balance to address recurring costs creates a structural imbalance within the budget because the dollar amount appropriated needs to minimally be re-appropriated in subsequent years to maintain operational integrity without growth.

COMMITMENT TO MAINTAIN PUBLIC INFRASTRUCTURE

Coincidental with the preparation of this budget is the development of the Capital Program for 2018. The value of the proposed 2018 Capital Program is \$20,957,561 and includes a bonding program and additional use of undesignated fund balance. Discussions about this have already begun with the Legislature and will continue in the days to come. Capital projects will continue using existing/available funds and new bonded monies.

The 2018 Tentative Budget reflects a continued support of the County's maintenance of roads and bridges, bridge washing, traffic control, bridge painting, bridge sealing, bridge deck overlay and snow removal efforts. In aggregate, the 2018 Tentative Budget reflects an appropriation level of \$22,871,944 for these and other related efforts. Taken together, the Capital program and budgeted items amount to \$43,829,505, one of the largest efforts of this type in recent years.

PERSONNEL ISSUES

The 2018 Tentative Budget contains no new positions and no layoffs.

IN SUMMARY

We have a balanced budget, but we are using undesignated fund balance to break even, to the tune of \$3,258,180. The use of undesignated fund balance should be used for non-recurring expenses.

More than ever, the County needs to closely monitor, evaluate, and **react** to losses of funding. If this is not done, the loss of State and Federal funds will de facto result in substantial reductions in the 2019 Tentative Budget. Reciprocally, the County needs to be vigilant in monitoring and reacting to enhancements in existing mandates (e.g., new eligibility guidelines for Indigent Defense and Raise the Age legislation).

As I noted earlier, I would like to sincerely thank Cattaraugus County Department Heads, both appointed and elected, and their staffs for their help and cooperation. Their input and help was and is invaluable. Collectively, their ability to hold the line on expenses has allowed me to address emerging local issues. Again, thank you!

I compliment the efforts of the staff of the County Administrator's Office, and commend the staff of the Information Services Department and the staff of the Treasurer's Office. All of these people play a vital role in the production of the attached document.

The County Administrator's Office stands ready to assist the Legislature in its review of the 2018 Tentative Budget, and we will be pleased to provide any additional information or data which may be required to assist in that review.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Jim Smiley", is written over a light blue rectangular background.
