

New York State's Enhanced Driver Licenses and Non-Driver IDs

A Smart Way To Travel

EDL EZ-CHECKLIST

for New York State's Enhanced Driver Licenses (EDLs) or Non-Driver IDs
Available for U.S. Citizens Who Are Residents of NYS

New York State's Department of Motor Vehicles (DMV) Enhanced Driver License (EDL) is your single, secure document for driving, identity and border crossings by land and sea between the U.S., Canada, Mexico, Bermuda and the Caribbean.

Note: An EDL cannot be used for international air travel between the U.S. and other countries. Like a regular driver license, an EDL can be used for domestic air travel under current federal rules.

What to Know – Before You Apply for Your EDL

To obtain an EDL or an enhanced non-driver ID, you **must** apply in person at a DMV office. As part of the application process, you may be briefly interviewed by a DMV representative about your forms.

This EDL EZ-Checklist has been created to help prepare you for your DMV visit and your EDL or enhanced non-driver ID application.

If you are able to check every box throughout this form, you are eligible to apply for your EDL. Please bring only **original** documents or **government-certified** copies that you have selected from the checklist.

Fees

The fee for an EDL is \$30 **in addition** to the fees required for your driver license or non-driver photo ID transaction. In comparison, the cost of a U.S. passport is more than \$100.

You can apply for an EDL:

- at the time your driver license or ID is due for renewal, or
- to replace your current license prior to its expiration date, or
- as part of an early renewal option that extends the expiration date of your current license.

Payment is due when you apply. Cash, check, money order or credit card will be accepted. An EDL fee calculator is available at: www.nysdmv.com/edl.htm

Note: There will be an additional \$30 fee every time you renew your EDL (normally every 8 years).

MINORS

A child **under the age of 16** who is applying for an enhanced non-driver ID must have his/her parent or guardian present.

- If the child is between the ages of 16 and 18 and **has the necessary proofs of identity**, the parent or guardian does not need to be present as long as he/she has signed the back of the MV-44 form giving his/her consent to allow the minor to apply for a junior license or non-driver ID.
- If the child is between the ages of 16 and 18, **but does not have the necessary proofs of identity**, he/she must submit a MV-45 Statement of Identity by a Parent or Guardian, and his/her parent or guardian must be present to sign the form in the presence of a DMV representative.

Remember, the more prepared you are for your visit to the DMV, the smoother the application process will be.
