

Making an Impact

*Interfaith Caregivers is a caring community of volunteers from any faith and age whose responsibility it is to serve and assist people in order that they may maintain their independence and dignity to the highest possible degree. The agency primarily serves the frail elderly of Cattaraugus County. Our volunteer drivers provide over **150 transports a month** to medical appointments free of charge.*

We are a proud program of the United Way of Cattaraugus County and supported by local churches, the Olean Association for the Blind, foundations and private donors. We do not receive any government funding.

Interfaith Caregivers was founded 27 years ago and we pride ourselves on being a one of a kind organization.
