## Decontamination Training

**Instructor:** Chautauqua County

**Location:** Cattaraugus County Emergency Operations Center (County Center Building in Little Valley, park/ enter from back lot)

**Class Dates and Times:**

May 1 from 18:00 - 22:00

**Prerequisites:** None

Operations level course provides responders with knowledge and skills required to conduct Electrostatic Decontamination Tactics (EDT). EDT uses an electrostatic sprayer to add an electric charge to the decon solution. The charged decon droplets will envelop and adhere to the target. The result is the ability to perform a more effective decon for a wide range of incidents with significantly less decon set up.

## Principles of Instruction

**Instructor:** Will Smith

**Location:** Westons Mills Fire Dept.

**Class Dates and Times:**

May 9 at 18:30

May 11 at 09:00 (until 18:00)

May 16 at 18:30

**This class is designed for fire service instructors and officers.**

**NOTES:** Principles of Instruction is a part of the minimum training, outlined in the IFPC Best Practices document in order to service as the Fire Department Training Officer. **Preference will be given to current SFSI applicants, current Fire Department Line Officers (as on file with Emergency Services), and finally, trained firefighters.**
