Students must be registered members of the CME program through a CME-registered NYS EMS agency.

REMINDER: Participants must complete ALL 11 core hour classes in the calendar year they begin. Participants may attend core classes in different locations across the County if they are offered. Not all classes have to be completed at the same location. Classes DO NOT have to be completed in numerical order. As long participants have attended ALL 11 classes during one of the County Co Hour CME courses in the same calendar year they begin, the requirements for the Core Hours of CME Recertification will be met.
