**LOCAL LAW NUMBER 12 - 2011  
COUNTY OF CATTARAUGUS, NEW YORK**

Pursuant to Article 13F of the Public Health Law.

**A LOCAL LAW REGULATING THE SALE AND USE OF ELECTRONIC  
CIGARETTES ("E-CIGARETTES") AND HERBAL CIGARETTES**

BE IT ENACTED by the County Legislature of the County of Cattaraugus as follows:

SECTION 1. Legislative Intent: The Legislature hereby finds and determines that new, unregulated high-tech smoking devices, commonly referred to as electronic cigarettes or e-cigarettes, have recently been made available to consumers. To "smoke" e-cigarettes, users inhale vaporized liquid nicotine created by heat through an electronic ignition system. The vapors are expelled through a cartridge that usually contains a concentration of pure nicotine. The cartridge and ignition system are housed in a device created to look like a traditional cigarette, cigar or pipe. After inhaling, the user then exhales the heated vapors producing a "cloud" of undetermined substances that is virtually indistinguishable from cigarettes, cigars and pipes.

The Legislature also finds that the nicotine content in e-cigarettes can vary in doses and presents a significant risk of rapid and or continual addiction.

The Legislature also finds that it is not in the best interests of the County or its residents to permit the use of e-cigarettes in public places or to permit their sale to persons under the age of eighteen (18).

The Legislature also determines that protecting Cattaraugus County residents from an untested nicotine product like e-cigarettes represents sound public health and fiscal policy.

Therefore, the purpose of this Local Law is to prohibit the smoking of e-cigarettes, herbal cigarettes, and like products in public places where traditional forms of smoking are already disallowed and to ban the sale of such products to persons under the age of eighteen (18).

SECTION 2. Definitions: As used in this Local Law, the following terms shall have the meanings indicated:

a) "e-cigarettes" shall mean any electronic device composed of a mouthpiece, heating element, battery and electronic circuits that provides a vapor of liquids nicotine and/or other substances mixed with an organic compound (propylene glycol, diethylene glycol, etc) to the user as he or she simulates smoking. This term shall include such devices whether they are manufactured as e-cigarettes, e-cigars, e-pipes or under any other product name.

b) "liquid nicotine" shall mean any liquid product composed either in whole or in part of pure nicotine and propylene glycol and manufactured for use with e-cigarettes.

c) "person" shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm partnership, joint venture, joint stock association, or other entity or business of any kind.

d) "herbal cigarettes" (also called tobacco free cigarettes or nicotine -free cigarettes) shall mean any cigarette that either do not contain any tobacco or do contain tobacco but are composed of other herbs as well. Herbal cigarettes may include a blend of herbs with different flavors.

SECTION 3. Prohibition:

a) No person shall smoke or otherwise use e-cigarettes or herbal cigarettes in public places in Cattaraugus County where traditional forms of smoking are disallowed.

b) No person shall sell or offer for sale e-cigarettes, liquid nicotine, or herbal cigarettes within the County of Cattaraugus to persons under eighteen (18) years of age.

SECTION 4. IX. WHEREAS, state lawmakers can fund the takeover with a combination of Medicaid program reforms, state-derived savings and other spending controls, including, applying MRT (Medicaid Redesign Team) reform savings to mandate relief and pursuing a federal Medicaid waiver to leverage state cost containment initiatives that can be applied to property tax relief and applying future revenues to lowering property taxes and by allowing federal health care reforms to cover New Yorkers, now, therefore, be it
