(f) For purposes of clauses (C), (D) and (E) of subdivision (a) of this section, for the period commencing March 1, 1991, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the consideration given or contracted to be given for the service, including the consideration for any tangible personal property transferred in conjunction with the performance of the service and also including any charges for shipping and delivery of the property so transferred and of the tangible personal property upon which the service was performed as such charges are described in paragraph three of subdivision (b) of section one.
